- iii. your use of the Software will not infringe the rights of any other party.

4.2. Notwithstanding clause 4.1, you acknowledge and agree that:

- i. the Software has not been developed to meet your individual requirements. It is therefore your responsibility to ensure that the facilities and functions of the Software meet your requirements;
- ii. the Software may not be free of bugs or errors and you agree that the existence of any minor errors shall not constitute a breach of this Agreement;
- iii. the warranties in this clause 4 shall not apply to any Third Party IPR;
- iv. the Software is provided on an "as is," and "as available" basis, and your use of and access to the Software is at your sole risk;

You are solely responsible for the accuracy and completeness of your records, and you acknowledge that we will have no liability for errors, inaccuracies, omissions, or a lack of clarity in your data records;
- vi. we are not involved in any transactions between you, your authorised users, your agents, your clients, your employees and others. Our service also excludes any investigation or payroll audit into your affairs by local tax authorities, and also excludes enquiries;
- vii. we don't provide financial advice, pension advice or advice on tax law or the operation of tax systems in any jurisdiction. These are complex areas upon which you should take specialist advice, and you must rely on your own investigations;

- viii. we have the right from time to time to monitor what data is being entered or uploaded into our system. Your uploaded data may be placed in a temporary holding bin for checking and screening to ensure that it does not contain virus and non-complying items;
- ix. we will not be responsible for any loss or damage that could result from interception by third parties of any information or services made available to you via the Software;
- x. we are not a back-up service. You are responsible for taking all necessary steps to back up your data and ensuring that you maintain your primary means of business;
- xi. we do not warrant that the Software will work on any particular device or across the network of a particular wireless service provider;
- xii. access to and use of the Software from your device may be subject to transmission limitation, delays, or interruption due to, hardware, software or network problems as well as government or regulatory restrictions, exchange rulings, court or tribunal orders or other human intervention;
- xiii. internet communications, including E-Mail, SMS and fax go through various internet service providers and various internet hubs before they reach you and therefore cannot be guaranteed to be secure or error-free as information could be intercepted, corrupted, lost, destroyed, arrive late or incomplete, or contain viruses. You acknowledge that if you send personal data, payslips, time sheets or any other data to us, your employees, your clients, or to anyone else via the Internet you are exposing this data to these security risks. We have no control over and accept no liability for the security of data once it leaves our server;
- xiv. neither we nor our subsidiaries and/or affiliates will be responsible for or liable for the capabilities or reliability of your wireless service; and
- xv. you understand that there are risks associated with using a device, including mobile applications on a device, and that in the event of theft or loss, your confidential information could be compromised.

4.3 There are no conditions, warranties, representations or other terms, express or implied, that are binding on us except as specifically stated in this Agreement. Any condition, warranty, representation or other term concerning the supply of the Software which might otherwise be implied into, or incorporated in, this Agreement, or any collateral contract, whether by statute, common law or otherwise, is hereby excluded to the fullest extent permitted by law.

5. LIABILITY

5.1 Nothing in this Agreement shall exclude or in any way limit our liability to the extent that it cannot be excluded or limited as a matter of law.

5.4 You undertake at all times to mitigate any such damage or loss.

5.5. You acknowledge that this Agreement allocates risk between you and us as authorised by applicable law, and that the pricing of the Software reflects this allocation of risk and the exclusions and limitations of liability contained in this Agreement. You agree that our responsibilities under this Agreement are reasonable because they reflect that:

- i. we cannot control how, and for what purposes, you use the Software;
- ii. we have not developed the Software specifically for you; and
- iii. although we follow good industry practice, it is not economically possible for us to carry out all the tests necessary to make sure that the Software is problem or error free.

5.6. The laws of some countries do not allow some or all of the limitations described above. If these laws apply to you, some or all of the above limitations may not apply to you and you might have additional rights. If any remedy hereunder is determined to have failed of its essential purpose, all other limitations of liability and exclusion of damages set forth in this Agreement shall remain in full force and effect.

6. DATA PROTECTION

6.1. Each of you and we agree to comply with the terms of the Data Protection Addendum attached as the schedule to this Agreement.

8. NOTICES

8.1. Any E-Mails you may send to us may be monitored by us for operational or business reasons.

8.2. You agree not to send us any E-Mail containing attached files or any electronic mail containing linkages which may trigger a virus. You also understand that any electronic mail containing an attached file may be automatically rejected by us.

9.3. If we fail, at any time during the term of this Agreement, to insist on strict performance of any of your obligations under this Agreement, or if we fail to exercise any of the rights or remedies to which we are entitled under this Agreement, this shall not constitute a waiver of such rights or remedies and shall not relieve you from compliance with such obligations. A waiver by us of any default shall not

constitute a waiver of any subsequent default. No waiver by us of any of these terms and conditions shall be effective unless it is expressly stated to be a waiver and is communicated to you in writing.

9.4. If any of the terms of this Agreement are determined by any competent authority to be invalid, unlawful or unenforceable to any extent, such term, condition or provision will to that extent be severed from the remaining terms, conditions and provisions which will continue to be valid to the fullest extent permitted by law.

9.5. This Agreement and any document expressly referred to in it represents the entire agreement between you and us in relation to the licensing of the Software and Documentation and supersedes any prior agreement, understanding or arrangement between you and us, whether oral or in writing.
